

## Volkswagen Approved Bodyshops

We're sure you understand the pleasure of driving a Volkswagen and it's a feeling that shouldn't be interrupted. That's why, if you're unlucky enough to have an accident, our Volkswagen Approved Bodyshops will do everything they can to minimise the inconvenience to you: from recovering your damaged Volkswagen, to authorising repairs, managing your mobility needs and helping with your insurance claim process.

Nobody understands your Volkswagen better than our Volkswagen Approved Bodyshops. Our Technicians are factory-trained on every Volkswagen vehicle and they receive specialist training, enabling them to carry out work on vehicles featuring Volkswagen's latest technology. They ensure that repairs are carried out according to Volkswagen's original specifications, using only genuine Volkswagen replacement parts, approved paints and tooling.

Our Volkswagen Approved Bodyshops give you the reassurance of knowing that repairs will be completed to the highest Volkswagen standards that you've come to expect, upholding your paint and anti-perforation warranties and therefore protecting the resale value of your car.

So although you can't always be sure of what's in store on the road ahead, you can rely on a Volkswagen Approved Bodyshop to ensure that your car continues to perform as you'd expect it to.
